## Preparing Consumers for the DTV Transition

---

With less than a year before our industry undergoes one of the most significant changes in recent history, FOX is working diligently to assist in the consumer awareness and education effort that is necessary and critical to facilitate the Digital Television (DTV) Transition. In addition to the mandated public service announcements and informational crawls, FOX has extended our consumer education outreach and focus to those groups identified by the Federal Communications Commission who are most vulnerable and at the highest risk of being negatively impacted by the DTV transition - namely multi-cultural communities, seniors, Native American and tribal communities, non-English speaking consumers, as well as socially- and economically- disadvantaged groups.

Guided by the expertise of FOX's Diversity Group, we have developed strategic partnerships with local and national multi-cultural, public interest groups - from civil rights organizations to educational institutions - to disseminate materials and information on the upcoming digital transition in English, Spanish, and Asian dialects. We have positioned ourselves as a reliable resource to over 250 organizations, reaching up to several million consumers, most of whom are hearing in-depth information about the DTV transition for the first time.

These *national* organizations include:

American Indian Chamber of Commerce  
Asian American Justice Center  
Asian Federation  
Asian Pacific American Legal Center  
Bureau of Indian Affairs  
Congressional Black Caucus Foundation  
Congressional Hispanic Caucus Institute  
Department of Health & Human Services  
Hispanic Association of Colleges & Universities  
Hispanic Federation  
Historically Black Colleges and Universities  
Indian Country Today  
Japanese American Citizens League

Japanese American National Museum  
League of Latin American Citizens  
Mexican American Grocers Association  
Minority Faith Communities  
NAACP  
National Assn. of Black Owned Broadcasters  
National Congress of American Indians  
National Latino Media Council  
National Puerto Rican Council  
National Urban League  
Native American Media & Technology Network  
Organization of Chinese Americans

Specifically, we have provided these groups with the necessary materials to more effectively educate and direct their constituents through the conversion process, as well as encouraged them to facilitate workshops at national conferences; place articles in the organizations' newsletters and magazines; as well post the [www.dtv.gov](http://www.dtv.gov) link on their websites.
